

Submitter: Mike Brinkley

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3501

I am an angler and I very strongly oppose HB3501. This terrible bill will allow water right transfers that can endanger aquatic resources and is certainly no in the public interest. Additionally this bill increases the cost dramatically to challenge Agency decisions, thus discouraging the right to oppose bad legislation. Please kill this terrible bill.
