Committee: House Committee On Behavioral Health and Health Care

Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Jenny Larson and I am an LPC. I am a therapist in Portland, OR and have been practicing for 7 years.

I am writing this letter in support of HB2029. Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice. Our jobs are hard enough, holding what we hold for our clients and having to worry about unfair insurance audits only makes things harder.

Thank you for supporting this bill.

Sincerely

Jenny Larson
