Measure, Appointment or Topic: HB3501

Dear Co-Chairs Helm and Owens,

Save Wild Steelhead and Salmon on the North Umpqua River!

I am writing in opposition to HB 3501.

Oregon should be doing more to protect the public interest in water right transfer decisions, not barring the state from considering impacts to fish and wildlife, water quality, and other public values.

I urge you to oppose HB 3501!

Sincerely,  
Timothy Devine
