

Submitter: Sandy Kerbow

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB820

Dear Legislaturers,

Please oppose this bill and SB 821. Sex offenders steal lives and need to be registered so citizens know who they are and where they are. My daughter would check the registry before she would allow her young son to have a paper route. More people should do that.

Please oppose these bills

Respectfully,

Sandy Kerbow
