Measure, Appointment or Topic: HB3493

I am writing to express my strong support for Oregon House Bill 3493. This bill aims to protect the rights of residents in manufactured dwelling parks and marinas to engage in political activities, including political canvassing and the display of political signs.

I believe it is essential to safeguard the fundamental rights of these residents to freedom of speech and association. HB 3493 ensures that they can participate fully in the democratic process, and it provides political candidates with the necessary access to reach these important communities.

Restricting political activity within these residential areas undermines the principles of open and fair elections. This bill is a crucial step towards ensuring that all Oregonians have equal access to political discourse.

I urge you to vote in favor of HB 3493.

Thank you for your attention to this important matter.
