I strongly oppose this measure! The last thing we need is another "oversight board" of unelected, non-farming, far left activists, who do nothing about the farming industry, setting policy and making rules that are just going to make things worse and drive farmers, especially small farms out of business. The only way this could possibly work is if EVERY board member was required to be an active farmer with employees.

I grew up on a 20 acre farm in Wasco County, and currently live on a small 5 acre farm in Umatilla county.

Thank you
