

Oregon moms and caregivers fighting for gender, economic, and racial justice.

Co-Chairs Sollman and Ruiz, and members of the Committee:

My name is Morgan Pearson and I am a parent and community member from Grants Pass Oregon. I have been on a waitlist for EDRC for over a year now and having access to these funds would not only benefit me, but my daughter and our financial future.

That is why I'm writing to urge lawmakers to invest an additional \$500 million for the Employment Related Day Care Program in SB 5514, the Department of Early Learning and Care agency budget. Investing an additional \$500 million dollars in ERDC is crucial to stabilizing the entire child care ecosystem and is essential to addressing long-standing issues plaguing our child care system. By doing so, we can ensure that all families, regardless of income level, have access to affordable and high-quality child care options that meet our unique needs. This investment will have a ripple effect throughout our economy, supporting small businesses, creating jobs, and stimulating local economic growth.

In addition to providing child care to families and supporting our child care workforce, I support this bill because I believe in the importance and urgency of child care for all families.

I urge you to allocate an additional \$500 million dollars for the ERDC program in the Department of Early Learning and Care budget.

Thank you,

Morgan Pearson
