

Submitter: Matthew Kramer

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3501

I am writing in opposition to HB 3501. Public interest should ALWAYS be a consideration when making changes to water rights. Our rivers and streams are an essential part of who we are in Oregon and ignoring the issue will only dismiss the quality of life in Oregon that we ALL love and cherish.
