SUBJECT: Yes on HB 2548 - Farmworker Standards Board

Dear Chair Grayber, Vice-Chair Elmer, Vice-Chair Muñoz, and Members of the Committee,

My name is Ethel Gullette, I live in Beaverton, Oregon, and I am writing in strong support of HB 2548 to create a Farmworker Standards Board in Oregon.

There are over 72,000 Oregon farmworkers, who put food on our tables and contribute over \$6.4B to our state's economy, yet they experience poor working conditions and earn an average of just \$34,500 annually. Most farmworkers are immigrants from Mexico, Guatemala, and Central America, many of whom speak an Indigenous language.

HB 2548 will give historically excluded workers their first voice in setting industry standards with real enforcement power and accountability. The board will ensure access to fair wages, safe conditions, and protection from retaliation.

Cities and states across the country have proven that workforce standards boards work. These boards bring workers together with industry and public representatives to set meaningful standards, with real enforcement power to ensure accountability. From New York's farm laborers to Minnesota's nursing home staff to Seattle's domestic workers, these boards give workers the voice and protections they deserve and give our communities the essential food we need.

There is no question that farmworkers are essential in Oregon. They do the backbreaking work of providing us with the food we eat. I am so grateful for the dedicated work that they do. In my opinion, they totally deserve stronger wages and worker protections.

I urge you to vote YES on HB 2548 to create a Farmworker Standards Board and give farmworkers the ability to set standards for the industry.

Sincerely,  
Ethel Gullette
