I OPPOSE 2548.

This is an attempt to rule over rural farm operations from your high towers in Portland. It is illegal to force union membership on public employees, and agriculture workers also provide a public service and should have the same respect.

This is a political move that will drive small farms out of operation, and replace agriculture workers with cartel run illegals. This should be a farm-by-farm decision, and stop trying to run rural Oregon from metro standards.
