On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3501

I would like you to oppose HB 3051.

It is essential we consider the public interests when transferring water rights . Our water sources in Oregon are some of our most precious and important resources, now and even more so in the future. This bill is anti democratic. Please vote no.

Respectfully submitted,

Ellie Shelburne
