

Submitter: Benjamin Chatterton

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HJR11

This measure is anti-democratic and will bring Oregon in line with the Trump regime if passed. Any measure that gives any portion of the state a so-called veto is simply tyranny, permitted to be in the hands of any small group with a grudge. This will put us at the mercy of a hostile federal government and must be opposed by anyone with a spine.

It is disgusting that any Democratic Party members sponsor this bill. You should resign in disgrace.
