

Submitter: Lenny Dee

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or  
Topic: HB3681

HB 3681 rounds out the essential policies and tools brought forward in this session's special transmission package including HB 3336 – Grid Enhancing Technologies and HB 3628 – Oregon Electric Transmission Authority. All 3 bills are essential to keep Oregonians safe from power crises in the years to come.
