

Submitter: Thomas Busse

On Behalf Of:

Committee: Senate Committee On Early Childhood and Behavioral Health

Measure, Appointment or Topic: SB1013

Childrens' advocates lobby for a bill to create a "children's advocacy center" What the fuck is that even? I can't even even understand what the fuck that is, but it's "for the children" so whatever.

Talk about a kickback hiding in plain sight. The "Liberty center?" SRSLY? It's the Kickback center to create worthless jobs for crony ED's.
