

Submitter: Avis R  
On Behalf Of: LEGAL U.S. Citizens  
Committee: House Committee On Rules  
Measure, Appointment or Topic: HB3470  
Committee:

When my Great Grandfather came to the US of A in 1881, he left his parents and siblings to come to be a FREE citizen AND a CITIZEN of the United States. He became a NATURALIZED CITIZEN in 1889. When his younger Brother and Wife to be came to the US of A in 1882, they too became Citizens of the US of A. His children WERE NOT TAUGHT the language of their home country, they WERE AMERICANS and they SPOKE and READ ENGLISH. They were honest, trustworthy and full of COMMON SENSE.

THEY were PROUD to prove they were citizens when they voted!

I totally support HB 3470.
