

Submitter: Rodney Tombleson
On Behalf Of: Self
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3194

I oppose HB3194

Salem created the cannabis problem. Let Salem fix that.

But stop attacking farmers and rural landowners who've been invaded by ne'er do well pot farming.

Punish those who trespass.

Don't give special lenience for trespassers.

Vote no on HB3194.
