

Submitter: Jasper Bennett

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Natural Resources

Measure, Appointment or SB5521
Topic:

As a 16 year old nature enthusiast and birdwatcher, Oregon's forests are incredibly important to me. The haunting song of the Varied Thrush, the cascading melody of the American Dipper, and the abrupt chips of the Pacific Wren are all sounds I have come to associate with home. Our forests need to be protected more than ever, and for that they need funding. Please support this bill. Thank you.
