

Submitter:	Katherine Hyneman
On Behalf Of:	Oregon Roses
Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB2548

Oregon farmers are struggling enough with property taxes that have a huge percentage going to schools and bonds. So much so that there's barely anything left to pay employees. I had to lay off my 55 year round employees during Covid and haven't been able to bring them back because of the high minimum wage in the Portland Metro area. I only have my 2 daughters working part time for me.
