Committee:

House Committee On Rules

Measure, Appointment or Topic:

HJR11

The current signature gathering rules are allowing too many petitions qualify for a vote. It also allows ideas that only have support from a very small portion of Oregon to be voted on and sometimes passed. Making the changes in this resolution would help Oregon have less initiatives that are not representative of Oregon. Passing this bill would only allow the Oregon voters to decide if this is successful. Legislators should support this to allow Oregon voters to decide. Please support this process.
