

Submitter: Carol and Bob Christ
On Behalf Of: self
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB3193

HB 3193 is necessary because farmworkers are essential in Oregon.

Yes, Oregonians working indoors are affected by disasters — yet those working outdoors are affected even more.

They work with crops, animals, and trees — all important! They are individuals and in families. They are employees, taxpayers, and consumers.

We cannot think of any good reason why agricultural workers should not have the protection of a disaster relief program. Of course!
