Measure, Appointment or Topic: HJR11

I am writing in support of HJR11. Raising the requirement for signatures would help to ensure that valid initiatives make the ballot, and not initiatives by special interest groups. It is already a burden for voters to track the numerous initiatives that are introduced in each cycle. Having higher requirements to make that ballot would allow voters to be more focused on matters that have a significant impact on our state.

I encourage you to support HJR11.
