Committee: House Committee On Rules

Measure, Appointment or Topic: HJR11

HJR 11 would encumber dedicated citizens striving to propose legislation from the people by raising the bar for collecting signatures to qualify a measure for the ballot.

There is no plausible reason for making participation in governance more difficult than it presently is for Oregon citizens. Please defeat this elitist attempt to degrade Oregon's political system. Please vote no on HJR 11 and put it (and us) out of its misery.
