Chair & Committee Members,

I am STRONGLY OPPOSED to HB2548 and encourage you to also oppose this bill.

This bill violates the relationship between employer and employee, stripping away the employer's rights. I don't understand why Oregon government would want to come between this relationship and place authority between an employer and employee in the authority of an unnecessary governmental committee. This sounds as an obvious attempt to unionize agriculture workers which will pit them against their employers. Agricultural workers already have many protections, and this measure is stretching the issue to an unreasonable degree.

This bill reeks of anti-agriculture. I urge you to OPPOSE this bill.
