On Behalf Of: self
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3501

I am writing in opposition to HB 3501.

Oregon needs to be proactive in saving water, not putting up walls
Oregon should be doing more to protect the public interest in water right transfer
decisions, not barring the state from considering impacts to fish and wildlife, water
quality, and other public values.

I urge you to oppose HB 3501!
