

Submitter: Mary Hoehna
On Behalf Of: Our small tree farm
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2548

My husband and I have a small (just less then 10 acres) tree farm. We are RETIRED . HB 2548 will affect US as well as big farms and ranches in this state. We CANNOT afford this bill, we have teens come to help us in the summer when they are out of school. This OVERREACHING bill will put us out of business because we will not be able to have anyone help us because the UNELECTED STATE entity could sue us and take our entire retirement savings! VOTE NO on HB 2548!
