

Submitter: Frank M Deniston

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3501

Please vote down House Bill 3501. It is critical that we maintain a process for water rate transfers that does not place unnecessary hurdles in front of applicants. It is also essential that state regulators and rulemakers consider all the factors involved in a transfer, including social, economic, and environmental issues and benefits.
