Measure, Appointment or Topic: SB49

To whom it may concern,

Good morning,

My name is Monique Bochsler. I am a proud Oregonian, resident of Scio Oregon, PCP for precinct 56 and concerned resident of Oregon.

I write in opposition to SB 49. Firstly we do not need to spend more tax payers money. To study a subject that has been studied for years without better results.

Secondly, Oregonians are suffering. Over taxed and it doesn't look like this is going to stop anytime soon. We need to spend our time looking for actual results. And stop wasting Oregonians hard earned money.

Thirdly, with our state continued promotion of homelessness has cause a serious inflation of the issue. Americans homeless are flocking to our state. Leaving Oregonians that truly need help, get flooded to the back of the line.

This is a terrible bill and I strongly ask a no vote. I ask my fellow Oregonians to please stop with these nonsense sense bills and actually help.

Thank you for your time

Monique Bochsler
