Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Megan Jeske and I am an LPC in Portland, Oregon who has been practicing for 16 years.

I am writing this letter in support of HB2029.

Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,

Megan Jeske
