

Submitter: Monique Bochsler Bochsler
On Behalf Of:
Committee: Senate Committee On Education
Measure, Appointment or Topic: SB786

To whom it may concern,
My name is Monique Bochsler and I write in support of
SB 785.

Oregon's agricultural, forestry, fisheries, and natural resource sectors depend on a competent workforce for their continued strength. Senate Bills 784, 785, and 786 collaborate to provide students with essential educational resources, industry networking, and access to qualified educators to help them thrive.

SB 786 guarantees that students earn academic credit at public colleges and universities for their involvement in practical, leadership-oriented Career & Technical Student Organizations such as FFA and FNRL.

I strongly support this and would ask a yes vote

Sincerely Monique Bochsler
