Dear Co-Chairs Helm and Owens,

I am writing in opposition to HB 3501.

You are doing great work on Oregon's waterways. I particularly admire your defense of the lower Deschutes River. Oregon should be doing more to protect the public interest in water right transfer decisions, not barring the state from considering impacts to fish and wildlife, water quality, and other public values.

I urge you to oppose HB 3501!

Sincerely,

Peter Anderson
