

Submitter: Ruppert Reinstadler

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HJR11

I oppose this change to an existing system that works. These changes are not necessary and are ill intended. The people should have a say in the bills that get on the ballot. It's already very difficult to gather enough signatures. This would make it near impossible. Please do not let this bill go to the floor for a vote.
