

Submitter: Nancy Bray

On Behalf Of:

Committee: House Committee On Labor and Workplace  
Standards

Measure, Appointment or  
Topic: HB3193

As a 4th generation Oregonian who grew up picking pole beans every summer, I strongly support HB 3193 Farmworker Disaster Relief. This will create a permanent fund to support our essential agricultural workers when faced with extreme weather conditions. All the food we eat is grown and harvested by farmworkers; we must do all we can to protect and support them.
