Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Vanessa Brookhouse and I am a LPC, clinical supervisor, and clinical director. I am a therapist in SE Portland area of Oregon and have been practicing for 9 years.

I am writing this letter in support of HB2029. Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice. This practice threatens to bankrupt small group practices which are the backbone of the mental health community in the Portland Metro area.

Thank you for supporting this bill.

Sincerely,

Vanessa Brookhouse, LPC
