HB3470

Please vote yes on HB 3470. People invested in oregon and America should be the only ones having a say in our lives. If someone doesn't go through the proper channels to become a citizen then they should not be able to vote on any issue. If I moved to any foreign country I don't think I would be able to influence any politics just because I got my license there. American shouldn't be so reckless either. Thank you.
