

Submitter: Brad Johnson

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB956

Umpqua Basin Water Association, as do others around this community, as well as many throughout Oregon, greatly benefit from the the facilities and services provided by Heard Farms. Heard Farms provide a service in wastewater management that can not be measured. Dick Heard with Heard Farms has the knowledge and experience in the field of Waste Water Management that is like no other facility in the state.
