Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the
House Committee on Behavioral Health and Health Care:

My name is Kristina Parks and I am a student therapist, on track to get my associateship number as a professional clinical counselor associate this summer. I am a therapist in Oregon and have been practicing as a student with Liberation Institute for about a year.

I am writing this letter in support of HB2029.
Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,
Kristina Parks
