

Submitter: Jody Gardner
On Behalf Of: Heard Farms
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB956

On Behalf of Heard Farms, the City of Sutherlin strongly supports SB956. The City of Sutherlin benefits considerably from the services that Heard Farms offers our community.

Without Heard Farms services our sludge disposal costs would increase dramatically. Heard Farms is a valuable asset to the surrounding communities and businesses that they serve. We greatly appreciate their services to the City of Sutherlin.

Respectfully Submitted,

Jody Gardner
Wastewater Division Manager
City of Sutherlin
