Heres a simple letter to work from:

Dear Chairman Nosse and Members of the

House Committee on Behavioral Health and Health Care:

My name is Kimberly Hillman and I hold a PsyD. I am working toward becoming a therapist in Portland, OR, I previously completed a year of residency as a therapist - my patients have utilized insurance to access my services.

I am writing this letter in support of HB2029.

Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,
Kimberly Hillman, PsyD
