Topic:

Dear Co-Chairs Frederick and Levy, and Members of the Committee:

Now is the time to secure the wins of the Private Forest Accord for the long haul, to provide more certainty for forest landowners and improve protections for clean water and fish over the next 50 years. Please fully fund \$10 million for the SFISH grant program for small forestland owners and \$6 million for the adaptive management program to evaluate the effectiveness of the new rules in the Oregon Department of Forestry's budget (Senate Bill 5521).

Sincerely, Warwick Hansell
