Committee: House Committee On Behavioral Health and Health Care

Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Kaeli Harwood and I am a LCSW.

I am a therapist in the Portland area of Oregon and have been practicing for 5 years.

I am writing this letter in support of HB2029.

Insurance audits limit access to care to the people of Oregon, and all of us workers deserve protections with the auditing process. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,  
Kaeli Harwood
