Measure, Appointment or Topic: SB159

I am a US Navy Veteran and volunteer board member for Veterans Back 40 Adventure. We take other Veterans on adventure motorcycle trips as an alternative way to combat the Veteran suicide epidemic. I've been working with Senator Meek on this bill for many years and I'm excited to see it progressing during this session. Oregon has not updated the appearance of the motorcycle plate in over 50 years. Veterans deserve to be able to show pride in their service through a recognition plate on their motorcycle just as they do with a car or truck. I urge you to support this bill and honor the Veterans in our great State.
