Dear Co-Chairs Helm and Owens,

I am writing in opposition to HB 3501.

Oregon should be doing more to protect the public interest in water right transfer decisions, not barring the state from considering impacts to fish and wildlife, water quality, and other public values.

I love rivers, floated many in my day. Love the clear water, love fishing. Let's save what what we have.

I urge you to oppose HB 3501!

Sincerely,
