Measure, Appointment or Topic: HB3167

Dear Committee Members, As a nonprofit venue operator in Portland, Oregon, whose earned income depends on event ticket sales, I absolutely support and encourage you to support this bill for greater protections for our patrons. We have had instances where a patron has purchased a fake ticket or paid way more for a ticket than they should have from these secondary scammy websites. It causes problems for our door staff, hurts our patrons, and degrades trust in our brand when this happens. It is vital we have robust consumer protection laws to protect patrons and honest businesses from bad actors who would take advantage. Please support the Oregon Fan Fairness and Transparency Act! Sincerely, Cheri Jamison, Executive Director, Alberta Abbey Foundation.
