

Dear Chairman Nosse and Members of the
House Committee on Behavioral Health and Health Care:

My name is Moira Ryan, LPC, and I am a therapist in the Portland-metro area of Oregon and have been practicing for 10 years. I am writing this letter in support of HB2029. The insurance audit process requires transparency and the structure this bill will provide, specifically the ability of individual providers to understand what is expected of them and what is not.

Thank you for supporting this bill.

Sincerely,

A handwritten signature in black ink, appearing to read "Moira Ryan" with a stylized flourish at the end.
