Care

Measure, Appointment or
Topic: HB2016

To: Chairman Nosse and Members of the House Committee on Behavioral Health
and HealthCare

From: Rhoberta Michaels LPC, NCC. Peace & Light Psychotherapy LLC

I am a therapist and clinical/licensure supervisor in Clackamas, Oregon, and have
been practicing for over 40 years. I am writing this letter in support of HB2029.

Insurance audits are often abusive, unfair and limit access to care for the people of
Oregon. Please help end this practice by supporting HB2029.

Thank you.
