

Submitter: Glen Crouch

On Behalf Of:

Committee: House Committee On Labor and Workplace  
Standards

Measure, Appointment or Topic: HB2548

This bill would make our Christmas tree business unprofitable, and we will give up employing people in Oregon. Why do you continue to make rules making it more difficult to do business in Oregon? Where do you think the money comes from to fund the state and local governments? Not everyone can ride in the wagon, some of us must pull.

This bill strikes me as another way for lawyers to rip off the productive members of our society.
