

Submitter: Chad Kernutt
On Behalf Of: WE THE CITIZENS
Committee: House Committee On Rules
Measure, Appointment or Topic: HB3470

Dear Lawmakers,

My name is Chad Kernutt and I urge you to support HB3470. This is a common sense bill as illegal immigrant trespassers, who have broken both criminal and civil laws when trespassing into our country, according to US code title 8 section 1325 category A&B, should not be voting in our elections and to do so would be illegal and another crime. According to our country's laws, illegal immigrants when discovered on our country according, to the law, are to be imprisoned up to 6 months, civilly fined, and then deported. They are by definition of the law, criminals, and not supposed to be here. Let alone be rewarded with a whole host of benefits. The constitution and the law says only U.S. citizens may be registered to vote and the Oregon Gov't in it's incompetence has already registered over 1500 criminal illegal immigrants when in their defiance and violation of the constitution, federal supremacy laws, and the Oregon voters, they created the motor voter program and then drivers licenses for illegal immigrants bills even after Oregon voted NO by 2/3rds on measure 88 against giving drivers licenses to illegal immigrants in 2014. The secretary of states office has a lot of work to do in earning back the trust of WE THE PEOPLE, the voters. This bill would be an important step. Please vote YES and follow our countries laws and the constitution. Thank you.
