

Submitter: Stephen A Johnson  
On Behalf Of: Self  
Committee: Joint Committee On Ways and Means Subcommittee On  
Natural Resources  
Measure, Appointment or Topic: SB5521

I support a forest that does not have a quota of trees harvested to support the sawmills & sales of lumber. I don't support a tree farm or harvesting of burned trees that can live. I don't forest fires to burn out of control & cause damage to trees, wildlife & cause soil erosion that lasts many years.

Maybe houses can be made of plastic. Maybe wood products can be harvested from the southern states & they can grow cotton again.
