Measure, Appointment or Topic: HB3167

Please note - I am referring to Oregon Fan Fairness & Transparency Act, HB-3167-3 (note the -3), in my testimony.

As an aspiring artist, I am eager to play my music for fans, and expect that wherever they might see me perform, ticket pricing and sales are fair and transparent. As a music fan, I expect the same. I support this bill because it offers a fairer shake for both fans and artists, and prevents unethical market manipulation by resale platforms.
