

Submitter: Chad Kernutt
On Behalf Of: WE THE PEOPLE
Committee: House Committee On Rules
Measure, Appointment or Topic: HJR11

Please stop the assault on WE THE PEOPLE and the continuing pursuit to snuff out and take away our voices. It is tyrannical for the government to try to silence dissent and make it harder to petition and change our government which is supposed by people for the people. Why does the government need to make it harder for the citizens to create signature petitions or recalls unless there is something about the governments own behavior or WE THE PEOPLE'S dissatisfaction of Gov't that they fear may catch up to them? Stop the unAmerican, unconstitutional, and tyrannical behavior at once and shelf this bill for good!! I demand you stop this behavior at once and vote NO!!

Sincerely,
Chad Kernutt
